1. Thumb tacks, pins, staples, scotch tape, or similar items may not be used on the walls, floors, doors, chandeliers, or other parts of the building. **Masking Tape May Be Used.**
2. Heavy displays sitting on the floor must have carpeting under them. Nothing is to be pushed or pulled across the floor. Painting and construction on props is not allowed in the building. No marking of any kind is allowed on the floor.

## **Coast Guard Spouses' and Women's Association Rules**

1. If you are not registered to sell food or drinks at your booth, **you may not** sell them at all.
2. Please do not pack up your display or leave before the close of the Bazaar. Leaving early makes guests think the event is over.
3. We reserve the right to ask you to leave at any time without refund if we feel you have misrepresented yourself in any way or if you are making guests and other vendors uncomfortable. Thank you for cooperation in this matter.
